

Notification of Tier 4 student responsibilities

Student declaration

1. I confirm that Britannia College of Excellence has notified me of the following which forms part of my duties as a tier 4 student. I understand that if I fail to comply with my duties (here-in stated) the college may take appropriate measures to ensure that its own duties as a tier 4 Sponsor License holder is maintained. In so doing I understand that the college may take any or a combination of the following measures:
 - Issue me with a formal written warning
 - Suspend me from the course I am currently studying in the college
 - Remove me from my course (the course I am currently studying at the college) and be declared a non- Britannia College of Excellence students
 - Report me to the UK Boarder Agency

2. The UKBA (Home Office) and Britannia College of Excellence (Sponsor) require that:
 - I am and remain a genuine student
 - I attend at least 15 hours of structured day-time study per week
 - I attend classes at the right time
 - I make academic progress
 - I provide Britannia College of Excellence with my previous qualifications
 - I provide the college with my passport and visa information
 - I let the college know if I have change of circumstances (including address, email, telephone, next of kin, extension or change of visa status, or when I am ill)
 - I only work for up to 20 hours per week during term time (more during holidays)

3. I will actively co-operate with Britannia College of Excellence in all matters relating to my tier 4 Student status and all arrangement made in the college to enable it discharge it's duties.

4. As long as I remain a tier 4 student at Britannia College of Excellence, I will make my class attendance, academic work and academic progress my highest priority. I declare that I am not an economic migrant.

5. I acknowledged that my tier 4 student visa require me to demonstrate sustained progress in my academic work, and I shall do all within my resources in order to achieve this

I make this declaration on
